

Marc Travers Debuts New SEO Agency Focused on Empowering Companies in the Digital Age

Travers offers a seamless bridge to online traction for startups and existing companies

JANUARY 25, 2020 - Marc Travers is the founder of FineSEO, a top SEO agency in London, and now, he has announced that he will also be branching out with his own brand. He will be leveraging his knowledge and expertise in SEO to deliver world-class SEO strategies to companies of all sizes, including local businesses, startups, and small to medium sized businesses.

As a search consultant, Travers specializes in helping national and international organizations achieve a greater ROI through SEO.

Through his own brand, Travers will offer one-on-one consulting that builds strategies from the ground up. Each client will receive an in-depth consultation that allows Travers to fully understand the specific needs and pain points of the client's organization. Then, Travers will build a customized strategy aimed at getting the very most out of SEO.

Statistics show that the power of well crafted SEO is undeniable. Marketing experts agree that SEO is the best way to get online traction, and ranking at the top of Google search results is perhaps the most effective way to get the most out of SEO. In fact, nearly 70% of clicks on Google come from the first five organic results.

Travers expertly carves out the SEO needs of each client and creates content that will drive their sites to the top of search engine rankings to yield increased traffic. More information can be found at <https://marctravers.com/>.
